Dear Ms. Garland:

On April 22, 2020, Commission received an electronic request that the Alaska Waste subsidiaries¹ be allowed to delay submission of its May 2020 Cost of Fuel Surcharge (COFS) filings until August 29, 2020. Alaska Waste indicated that it would soon be filing a request to change its COFS methodology from quarterly to biannually. Alaska Waste also indicated that the extension would allow future COFS filings to align with the proposed biannual filing schedule.

We reviewed the request and determined that the extension should be granted; therefore, we grant Alaska Waste's request to extend its May 2020 COFS filings until August 29, 2020. Alaska Waste's attention to this matter is appreciated. If you have any questions regarding this Letter Order, please contact Becki Alvey, Utility Tariff Analyst, at (907) 263-2139.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA

Becki Alvey
Tariff Section Manager
